Kakenhi Preparation in Advance!

KAKENHI is the biggest funding programme in Japan. Early preparation is key to your success! Prior to announcement of the official call for proposals in September by JSPS, this seminar will help you understand the KAKENHI system, in terms of forms, research categories, review system. Join us if you would like to prepare in advance.

- What kind of documents, and skills are needed for application?
- How does the review process work?
- What will happen after awarding of a grant?

After a brief introduction on KAKENHI and support services of KURA, you will receive some tips from a past reviewer and recipient.

Date 15:00–17:00, Wednesday 11th July 2018

Venue Meeting Room B1, Research Administration Building (No.61), Main Campus
